Happy Thai New Year

The Duang Prateep Foundation brought happiness to 450 senior citizens from 27 communities at their traditional Songkran Festival celebrations (Water Festival) on 11 April. DPF Chairman, Prof. Sant Hathirat, M.D, and Khru Prateep welcomed the many honored guests in attendance. Ms. Ladawan Kanthawong, Director-general of Social Development, and other representatives of the Stock

Exchange of Thailand (SET) presided over the ceremony. In addition, the SET presented 30 gifts to senior citizens who regularly devote themselves to helping their community's activities. Each recipient was nominated by the community residents. The Duang Prateep Foundation would like to thank all those who supported this important event, including Mr. Robert Wilson and Mr. Steve Van Beek, other benefactors and guests from both local government and private organizations who joined the ceremony. The foundation provided a special dinner to all our participants and senior citizens.
