

## Duang Prateep Foundati on Monthly Newsletter for May 2020

### “Duang Prateep Foundation Sharing the Fight Against Covid-19”

#### *Malaysian Ambassador Visits DPF*

On 15 May, H.E. Dato’ Jojie Samuel, Ambassador of Malaysia to Thailand, accompanied by his embassy staff visited the DPF to donate formula powdered milk for babies and infants to help poor mothers during the Covid-19 crisis. This was his excellency’s first visit with us. Previously, though, his daughter, Ms. Flora Samuel, was a

volunteer English teacher at the DPF kindergarten in October last year. Thank you very much for visiting and donating milk for the children during this difficult time.

## *Teacher Delivery*

DPF kindergarten teachers delivering milk to their students at home every Monday and Thursday while the school is closed during the Covid-19 pandemic. The teachers are concerned for the students' well-being, and also gave them snacks and homework to review their lessons.

### ***Covid-19 Activities in May***

Throughout May, the Duang Prateep Foundation, together with many kind-hearted sponsors, continued activities to help the Klong Toey people in the face of the Covid-19 pandemic. Activities included providing milk and formula powdered-milk for babies and infants to help mothers who are out of work, visits to children at home by teachers, arranging extra activities for children while schools are closed, providing Survival Bags for those struggling the most, and delivering adult diapers to bed-ridden people. Thank-you to all the sponsors for their support, both financial and in-kind, for the Klong Toey community.
